

# Blue Ridge Foothills District Awards

The Blue Ridge Foothills Awards Committee would like to solicit nominations for the following awards by **November 30<sup>th</sup> of each year**:

## **Engineer of the Year Award**

This award is presented annually to an engineer working in one of the following areas: consulting, municipal or industry, who is responsible for the design of a facility, or has demonstrated excellence, by managing, directing, operating, education, research or pollution prevention on a project in the fields of wastewater collection, treatment, or residual management.

### ***Criteria:***

1. Nominees must be members of the Water Environment Association of South Carolina.
2. The project must have been designed or in operation for a period of at least one (1) year and not more than five (5) years.
3. The nominee's area of service must have been in any of the following areas: management, overall planning, facility design, education, pollution prevention, or research.
4. Documentation and supporting information detailing the achievement must be provided and should include a narrative description of the activity or project as well as evidence of completion of implementation.

### ***Submit:***

**State Nomination Form**, a one page biography of the nominee, specific reasons for nominating (one page maximum) and any other supporting material required under the criteria or that you feel would be helpful in the selection process.

**Nominations are due by November 30<sup>th</sup>.**

Please email your nominations to [officers@blueridgefoothills.org](mailto:officers@blueridgefoothills.org).
