

Blue Ridge Foothills District Awards

The Blue Ridge Foothills Awards Committee would like to solicit nominations for the following awards by **November 30th of each year**:

Laboratory Analyst of the Year Award

This award is presented annually to a water and/or wastewater treatment analyst for excellence achieved in the laboratory analysis of a water and/or wastewater treatment plant in South Carolina.

Person to be considered must:

1. Have a minimum of two (2) years full-time laboratory experience in water and/or wastewater
2. Achieve relative excellence over the past year in water or wastewater laboratory operations
3. Have not previously received this award
4. Be a member of the Water Environment Association of South Carolina
5. Must be actively engaged in water and/or wastewater laboratory operations.

Consideration shall be given to:

1. Preventive maintenance, including cleanliness, safety, good housekeeping, and efficiency;
2. Demonstration of the accuracy and precision of data produced;
3. Showing active interest in laboratory, plant and system improvements;
4. Cooperation with fellow employees and regulatory personnel;
5. Cooperation, coordination and utilization of data in operations management;
6. Extra effort in working with local people on city programs;
7. Solving laboratory problems with innovative operation or implementation of new or cost saving techniques;
8. Continuing effort and initiative to upgrade himself/herself and other co-workers;
9. Consistently aware and actively involved in laboratory safety for himself/herself and fellow workers;
10. Improves public appreciation and understanding of water and wastewater fields.

Submit:

State Nomination Form, a one page biography of the nominee, specific reasons for nominating (one page maximum) and any other supporting material required under the criteria or that you feel would be helpful in the selection process.

Nominations are due by November 30th.

Please email your nominations to officers@blueridgefoothills.org.
